REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest the invention as claimed.

Independent claim 1 requires four plates and a precision measuring means connected in a *specific* configuration. The claimed configuration is critical to the invention and in combination with the further claimed elements is not disclosed or suggested by the art of record. Independent claims 12 and 20 require three plate groups in a specific configuration as well. The plate group configurations in combination with the further elements of these independent claims is also neither suggested nor disclosed by the art of record. The dependent claims are allowable due to their dependency on the independent claims.

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to G. Bradley Bennett whose telephone number is 571.272.2237. The examiner can normally be reached on M-TH 8:30-5:30.
